Ohio Science Standards

Perfect Little Planet

Discover our solar system through a different set of eyes – a family from another star system seeking the perfect vacation spot. Perfect Little Planet covers these Ohio Education Standards:

5th Grade

Earth and Space Science (ESS)

- **The solar system includes the sun and all celestial bodies that orbit the sun. Each planet in the solar system has unique characteristics.**
  - The distance from the sun, size, composition and movement of each planet are unique. Planets revolve around the sun in elliptical orbits. Some of the planets have moons and/or debris that orbit them. Comets, asteroids and meteoroids orbit the sun.
